1895	January	B-1-6	3L/3	319-321	Appointment of a Committee to inspect and report upon a site at Gobra situated within the Calcutta Municipality for the Leper Asylum; Report of the President of the Albert Victor Leper Asylum Committee on the proposed removal of the vagrants who occupied the Alms House to a Vagrants Ward in the Presidency Jail, and housing the female lepers in the premises occupied by the vagrants. [Gobra site was formerly a tannery situated on the Gobra-Goristan Road; but because of nearness to Muslim cemetery, was rejected; another plot to the east was then selected on the Gobra Road south, immediately to the east of the Railway Line, about 18 bighas in area].. At the meeting of the Committee it was objected by some of the members that as long as residence in the Asylum was voluntary, it would be useless removing the Aylum [at Amherst Street] especially in the direction of Gobra, which is at a considerable distance from the neighbourhood in which lepers generally reside. Accordingly a reference was made to government, and in reply the Committee were informed that legislation was contemplated, and that in the opinion of the Lieutenant – Governor there would be a sufficient measure of compulsion to justify the removal of the Asylum... the present asylum at Amherst Street is over-crowded

1893 (Contd)	October	B-4-51	3L/1	93-98 & 99-154	Leper Asylum, Calcutta [Albert Victor Leper Asylum, Amherst Street]: Representation from the District Charitable Society, asking to be relieved of the charge of maintaining the Calcutta Leper Asylum; suggestion to the Hon. Secretary, Prince Albert Victor Memorial Committee {Surendranath Bannerjee}, to make over to government the funds in the hands of the Committee; Report of the Leper Asylum Committee; Proposal removal of the Leper Asylum to Manicktola and petition from Babu Joy Govinda Law and other residents of Ward No: 4 of Calcutta, protesting against the retention of the Leper Asylum in Amherst Street.
		B-14-22	3L/1	11	Representation from the Municipal Commissioners and the residents of Manicktola protesting against the proposal to locate the Leper Asylum at Manicktola. <i>[This Volume contains the "Report of the Leper Asylum Committee", published by the Bengal Secretariat Press, Calcutta, 1893. The Committee was formed to suggest a location for a new Leper Asylum for Calcutta, since the Amherst Street one was over-crowded and public opinion was against its continued presence there. There is a detailed and interesting account by JG Vos, Secretary of the District Charitable Society, of "... the establishment of the first Leper Asylum for 40 lepers at Ballygunje in 1811 by JH Harington; donation of land and money by Babu Cally Shunker Ghoshal in 1818 to build a larger establishment; Dr. James Robinson was an initiator of this project, but he died in 1819; the Ballygunje asylum was removed in 1824 to Balliaghatta, area 4-5 bighal, capacity 80 lepers; the District Charitable Society was established in 1830, and in 1831 took over charge of the asylum, which till then was the responsibility of St. John's Vestry with a government grant of Rs. 500; in February 1832 the Governors of the Native Hospital [now Mayo Hospital] took over the institution; in 1835 its maintenance reverted to the District Charitable Society; in 1840 the government made a grant of land on Amherst Street to accommodate the asylum; in 1841 it was walled in and the huts from Balliaghatta were transferred here; in 1848 the huts were replaced by the present buildings..."]</i>
